

Three Pillars of Wellness: Mental, Physical and Financial

Wellness is a broad scope but can be broken into
three key areas: **mind, body and money.**

Below are tips to help bring these pillars into balance.

MENTAL WELLNESS

- Keep your brain and emotional health in top shape
- Read
- Play games and puzzles – they're good for your brain muscles, plus they're fun
- Find humor in life
- In colder seasons, include light therapy (phototherapy)

PHYSICAL WELLNESS

- Maintain a proper diet and exercise regularly
- Enjoy the seasonal sports available in your area
- Develop an indoor and/or outdoor exercise routine
- Stretch at work to relieve stress and change your posture at least for a few minutes
- Walk – even if it's no further than the water faucet or coffee machine
- Get a good night's sleep

FINANCIAL WELLNESS

- Organize your finances
- Create a budget and stick to it
- Lower your debt
- Save for the unexpected and beyond
- Enroll in a financial wellness program if offered by your company

**While we can't claim to be experts in the
mental and physical wellness, we can help on
the financial side!**
